1. S-PR-0008596 Cook, Wendy-In re the Conservatorship of

Appearance is required for hearing on amended second conservatorship account. Opening balance conflicts with closing balance of first account without explanation.

Note: carry value for real property identified in property on hand schedule conflicts with carry value in first account, apparently due to the filing of a reappraisal for sale.

Missing schedule(s) of assets on hand at the close of the accounts.

Account petition requests both \$1,320 and \$1,020 in fees without explanation

(see amended account at 1:22-25).

Court determination needed: Public Guardian fees request appears to be framed as a revised "flat fee" request for annual, ongoing conservator services. The new flat fee request (apparently \$1,320) is a 340% increase over the previous flat fee rate requested by Public Guardian for many years. Fees request is not supported by the detailed factual showing required by C.R.C. 7.751(b) and 7.702. Court to determine whether a greater should is required. Note also that Prob.C. § 2640(e) may restrict the court's ability to award fees payable from public benefit payments received by a conservatee.

☎ As described above, to appear for the hearing, use of remote telephone appearance system is generally required. See Local Rule 10.28 or contact the clerk's office for information.
